

# Planning for Sesqui Here Looks to Future as Well as Past

Fayette County's observance of the Ohio Sesquicentennial next year might take a turn from celebrating to doing, which could have its reflections cast in a new era of progress.

This trend in the thinking of those planning the 1953 Sesquicentennial has made itself evident at previous meetings of committees, but Monday night

the trend started to crystallize.

And there was general favor among the heads of the numerous committees planning the Sesquicentennial that a projects committee be set up to consider starting worthwhile projects in 1953.

ONE PROJECT which has continued to gain the approval of all groups planning the Sesquicentennial is the establishment of Fayette County Charitable Foundation.

The foundation would be comprised of an organization which would handle bequests of persons who died and who wished their memories perpetuated with constructive benefits for the citizens of Fayette County.

Considerable support has been found for the establishment of a

county planning commission which would evolve plans for the county's future growth, taking into consideration the continued rise in population, increased number of automobiles and numerous other problems which will come up in the future.

A TAX AND REVENUE study commission to study taxes and revenues so that citizens of the

county can be informed as to how their money is collected and spent has found much support among Sesquicentennial planners here.

There is also talk of a Fayette County recreation and social center, county experimental farm and expansion of park facilities in the city.

Joe Peters, one of 37 persons present at the meeting, held in

the Country Club Drive in Monday night, said it was vitally important that Fayette County do its best to establish a pattern of progress.

He said Ohio had an opportunity to show the United States that it could do things without the help of the federal government; and if the Buckeye state was successful then other states might gain the inspiration to take their

hand away from Washington, D. C. and start doing things on their own.

"IF WE CAN WAKE up Ohio, we can wake up the whole nation," Peters declared.

Since Fayette County is the "pilot" agricultural county for the entire state, he emphasized that it was important that Sesquicentennial planners here make

the observance much more than a time for parades, speeches and pageants.

Others rose to voice the protests of citizenry, which Judge Harry M. Rankin said has found that "if you send a \$1 down to Washington, D. C. you can only expect 10 cents back."

He called for getting away from "the one world" idea and getting

Five Cents

### The Weather

Rain and sleet probable early tonight turning to snow. Colder tonight and Wednesday. Continued cloudy.

## Safety Instruction Is Given To Children in City Schools

SECOND GRADERS AT CENTRAL SCHOOL get a practical demonstration of traffic light instructor from their teacher, Mrs. Dorothy Everhart. The youngsters, reading from left to right, are: Larry Joe Flowers, Paul Shaltry, Jeanne Moore and Margaret Hurtt. (Record-Herald photo)

Youths born in Washington C. H. from now on will grow to adulthood knowing more about traffic safety than their parents ever had an opportunity to know.

This is true because of the addition of a simple, practical course in traffic light safety to the curriculum of first, second, third and fourth graders.

An electrically-operated gadget, an exact replica of a traffic light, made it all possible.

IT WAS DONATED to the schools last week by the Fayette County American Automobile Association (AAA) Club here through the initial efforts of the safety committee.

### Meanderings

By Wash Fayette

That little hamster found in the basement of Rife's Book Store a few days ago and turned over to Mrs. Raymond Glover of the Gregg Road in Jefferson Township is thriving under the attention being given it by the Glovers.

Apparently, the little fellow, native of Europe, had escaped from one of the uptown stores where the animals had been offered for sale during the holiday season.

Mrs. Glover is greatly enthused over the hamster, which she calls "Buster". The animal responds to its name, appears quite harmless and is very fond of lettuce, cookies and other food.

His choice of all foods is lettuce and he devours it in quantity and quite rapidly.

A rather clever bit of verse, somewhat in the nature of a "take-off" on a recent poem which appeared in the Record-Herald, was received in our editorial offices but without the writer's name. Initials, B.L.S., were signed, but the author's identity is still unknown. I should like to have this writer know that the verse will be printed, if he or she will come in and signify identity. Without this we have to follow a policy of not printing such matter unless the writer is identified.

The name can be kept out of print, if desired, but we have to know who did the writing. I'm sure if this writer really wants this bit of verse used, there will be no objection in telling us his name and we can keep the matter confidential, if requested.

tee of the Chamber of Commerce. Almost immediately it was put into use by Mrs. Dorothy Everhart, who teaches second graders at Central School.

To make the use of the device practical, she laid out a simulated street intersection and placed the light in the center of it. Pupils played roles of cars, a fire truck, an ambulance and pedestrians.

As Mrs. Everhart operated the light (called a traffic light instructor), she told the members of her young class what each color

MacArthur Gets Spotlight

## Political Pot Boiling As Democrats Get in

WASHINGTON, Jan. 22.—The presidential political pot was boiling with renewed vigor Tuesday as a record crop of Democrat candidates sprouted suddenly and the name of Gen. Douglas MacArthur kept bobbing up under unusual circumstances.

And all the while, President Truman maintained silence concerning his personal intentions.

Some party politicians said the Democrat crop eventually may contain 20 names—if Mr. Truman continues to keep mum until convention time in July.

But most of those stepping into the Democratic spotlight are in the role of "favorite sons." A candidate in this status normally holds the party's convention vote from his own state until he is nominated or pledges it to some stronger candidate.

Two Democratic hats landed in the presidential ring Monday in Illinois, as slates were filed for Senators Kefauver of Tennessee and McMahon of Connecticut for the April 8 primary.

The Republican presidential primary in Illinois was enlivened when Harold E. Stassen, former Minnesota governor, and MacArthur were entered in opposition to Senator Taft of Ohio.

From New York, MacArthur wired the Illinois secretary of state: "I have just been informed that my name has been entered in the Illinois state Republican presidential primary. I request that it be withdrawn and that I be notified to that effect."

mean.

YOUNGSTERS in the class showed great interest, for a reason—only a few weeks ago little eight-year-old Joan Bennett was taken to the hospital when struck by a car near Central School.

Mrs. Everhart said not only second graders, but first, third and fourth graders will have an opportunity to learn about traffic lights.

She said her experience in working with the second graders at Central School proved that the

## Contract Gratuity Hearing Near End

DAYTON, Jan. 22.—The trial of Lawrence A. Razete, Cincinnati businessman, on charges of giving gratuities to an Air Force buyer for contract favors, was expected to go to the jury Tuesday.

In final arguments, Assistant U. S. Attorney J. Vincent Aug called Razete's dealings with Luther M. Kratz, former buyer at Wright-Patterson Air Force Base, "an illegal back-scratching proposition."

Razete, an executive of Cincinnati Raytronics Co., was pictured as a man who became a tycoon in a few months, handling contracts worth about \$5 million.

## Jap Emperor's Salary To Be Increased \$2,780

TOKYO, Jan. 22.—The Japanese government has decided to raise Emperor Hirohito's pay.

The raise will equal \$2,780 a year and will have to be shared with the Empress and the children.

Last year, Hirohito's official household allowance from the government was 29 million yen, or \$80,555. For 1952, the new rate will be 30 million, or \$83,333.

## Stalled Train Hero Dies after Ordeal

COLFAX, Calif., Jan. 22.—Pershing Gold, 33, a hero to 226 persons snowbound on the streamliner City of San Francisco last week, died Monday.

Friends said death was caused by a heart condition brought on by over-exertion and exhaustion in three days and two nights of taking food and medicine via snow tractor to the train.

Cincinnati, commission counsel and former FBI agent.

Baxter said the Labor Youth League is Communists' latest vehicle for recruiting young party members. He said the LYL, like the former Young Communists' League, is designed to bring college, high school and working youths into the Communist program.

HE SAID the LYL sponsored the publication and distribution of a new tabloid sheet titled "New Challenge."

Isaacs said the December, 1951,

### Depreciation Not Considered

## Annual Hospital Statement Shows an Operating Profit

Fayette County Memorial Hospital, in its transactions for the year 1951, showed a small operating profit of \$4,520.83, according to the official summary of the financial statement of the institution just released.

The entire annual financial report for last year was presented by Miss Christene Evans, hospital administrator, to the board of trustees at their regular meeting at the hospital Monday night.

The operating profit is shown on the accrual basis of total earnings for the year, including accounts receivable. The accounts re-

ceivable include unpaid bills in the process of collection, such as Blue Cross accounts, industrial insurance, aid for the aged, county relief cases, etc.

The complete summary of the hospital's annual financial statement, together with an analysis of patient care, is shown on page eight, in tabulated form.

The actual cash transactions, however, not including bills receivable, showed more expenses

### Truce Talks Getting Nowhere

## Allies Assail Reds For Disregard of Individual Rights

MUNSAN, Jan. 22.—The Allies accused Communist truce negotiators Tuesday of making "an out and out grab for military advantage" in Korea and showing "ruthless disregard of the rights of the individual."

Rear Adm. R. E. Libbey made the charge in again rejecting Red demands for "forced repatriation" of all prisoners of war.

"We again tell you," Libbey said, "that we are not going to fire up our insistence upon" voluntary repatriation.

In a second subcommittee session the Reds refused to ban airfield reconstruction although the UN Command offered to accept Communist wording on other terms for supervising a Korean armistice. That meeting lasted only 14 minutes.

No progress toward a truce was made by either subcommittee.

But negotiators did take steps to safeguard prisoners of war from air attack. They agreed staff officers would start working out safeguards Wednesday.

Presumably this would require the Reds to tell the UN Command exactly where their POW camps are situated and to mark them plainly. None is marked now.

Meanwhile, U. S. jets paced Mig Alley over Northwest Korea in foul flying weather without sighting a single Red fighter.

Other UN planes roared through heavy clouds in continuing attacks on Communist rail lines in North Korea.

It was the fourth straight day of bad weather, but the U. S. Fifth Air Force racked up 153 sorties by noon Tuesday.

On the frozen ground front, the battle calm was disturbed only by patrol clashes. Snow flurries slowed action all along the 145-mile fighting line.

There's Nothing Dull About Married Life Of Colonel and Lady

SAN RAFAEL, Calif., Jan. 22.—She died a little Fourth of July torpedo to the toilet seat. The colonel sat down and . . . BOOM!

"Very, very funny, a joke, horse play, you might say," Mrs. Dorothy Dennis, 50, told a cross-examiner at her separate maintenance action Monday against Col. Chester I. Dennis, 55.

One night, later on, the colonel wound up a timing mechanism from a land mine, tossed it under the bed and yelled "BOMB!" the colonel's wife testified.

Clad in a nightgown, she raced out into the garden while her husband leaned out a window and, she said, chided:

"Yaw! Yaw! You got no sense of humor!"

Judge Jordan Martinelli decided to hear more episodes in the life of the colonel and his lady before reaching a decision.

Ministers Rap UMT

CINCINNATI, Jan. 22.—The Greater Cincinnati Ministerial Association was on record today as protesting against Universal Military Training. The resolution urged members of congregations to "make themselves heard in their opposition to the pending UMT legislation."

groups attempted to infiltrate larger groups rather than set up units of their own.

Asked by State Sen. Joseph Bartunek of Cleveland, a commission member, if such Communist penetration was a threat to students, Baxter said:

"I never consider any Communist movement negligible. If they get one popular issue, they can triple themselves and become a threat."

Monday, Baxter testified there are 400 Reds in Ohio so far underground even the 1,300 dues-paying (Please turn to Page Ten)

## Cut in Spending Expected To Be Small, However

### New Taxes Unlikely In Election Year, Observers Agree

WASHINGTON, Jan. 22.—The usual wave of economy demands rolled out of Congress in the wake of President Truman's record \$85.4 billion peacetime spending budget for the fiscal year starting July 1.

Cuts of up to \$14 billion—enough to prevent a federal deficit next year—were demanded.

But there seemed little likelihood such a goal—or even anything resembling it—will be attained.

Actually, Congress is limited in trimming the President's spending program, since much of the concentrated outlay will come from money allocated but not yet spent.

Congress works only on appropriations, although it can recapture unspent money appropriated in preceding years.

In new appropriations for the coming year, the President requested some \$10 billion less than he had sought for the present year. Congress cut this year's appropriations a little over \$4 billion.

WITH NATIONAL security programs taking 76 cents out of every dollar planned for 1953 spending, (Please turn to Page Two)

## Free College Deal Brings Real Puzzle

JONESBORO, Ark., Jan. 22.—Officials at Arkansas State College here have a puzzler on their hands:

What to do with a 20-year-old Arab whose life savings were spent on a trip to the United States for a free college education.

Schukki Mohammed el Khatiri appeared at Arkansas State Monday, saying he was ready to begin classes. He had only \$10 in his pocket—all that remained from the sale of a farm in Israel to finance his trip to America.

Khatiri told dean of men Robert Moore scores of colleges sent him catalogues. And then a form letter from Arkansas State arrived. It stated "campus life at State is full, free and friendly." Khatiri took the sentence literally. He decided Arkansas State was the place for him.

Dean Moore said the slightly built young man is being quartered in the men's dormitory until school officials figure out what to do.

## Age of High Speed? Not So in New York

NEW YORK, Jan. 22.—In horse and buggy days, New Yorkers traveled 11.5 miles an hour. In their modern autos they average only six miles in city traffic.

The cause is congestion. E. E. Kearns of Erie, Pa., told the American Institute of Electrical Engineers.

As one remedy he proposed putting high speed electric trains in the center malls of fast highways. The malls are separators of dual highways.

## Bob's Attitude Is OK Brother Charlie Says

CINCINNATI, Jan. 22.—Sen. Robert A. Taft is undecided whether he'll vote for his younger brother's election as Republican nominee for governor of Ohio — and Brother Charlie says that's the way it should be. He says:

"He's doing exactly what I have suggested he do. I said I was running on my own record and not on his. He's taken the same position and that's quite all right."

## Surplus Is Reported

CINCINNATI, Jan. 22.—The city of Cincinnati wound up 1951 with a surplus of \$350,000 in the general fund, it was disclosed by City Manager W. R. Kellogg.

## Gerald Straley New Chairman

### Jefferson Bureau Has Turkey Supper

Gerald Straley was elected the chairman of the Jefferson Township Farm Bureau at the annual meeting and turkey supper held in Jeffersonville Monday night.

Robert Owens was chosen vice chairman and Robert Zimmerman, secretary.

The elaborate turkey supper was enjoyed by 125 Farm Bureau members and their families.

A. F. Ervin, the retiring chairman, presided over the business meeting.

The program presented during the evening consisted of a piano solo by Cancy Campbell; tap dance by Sue McDonald and Mary Cook, accompanied by Mary Jean Wilt; piano solo, Oliver Vannorsdall; saxophone solo by Jimmie Sparger, accompanied by Shirley Sharrett; vocal trio, Virginia Peete, Nancy Warnock and Nancy Jean Ray, and a dramatic skit, Beverly Coil and Jeannie Coil.

Ben Glover, public relations director of the Farm Bureau Co-op Association, spoke on legislative matters and the need of more adequate financing for maintaining the highways by the use of a ton-mile tax.

County Agent W. W. Montgomery spoke on the three phases of extension service in the county—4-H club work, agricultural work with crops and livestock and the home economics program.

### 2238 Dogs Tagged Before Deadline

County Auditor Ulric T. Acton reported Tuesday that a total of 2,238 dog licenses were issued in Fayette County before the deadline expired Monday evening.

From now on, under the law, a \$1 penalty is provided for belated license applicants.

The number licensed so far is about 100 under the total for last year.

### Clinton County Bank Deposits Are Greater

Clinton County's bank resources are some \$10,000,000 more than those in Fayette County, according to the latest report of seven banks in that county.

Clinton County bank resources total \$26,153,304, compared to resources of \$15,168,245 in Fayette County. There are four banks in Fayette County.

## Mainly About People

Mrs. James Burris of Sabina was admitted to Memorial Hospital Monday, for medical treatment.

Mrs. Kitty Cunningham was released Monday from Memorial Hospital to her home in Leesburg.

Mrs. Charles Williamson, Route 1, entered Memorial Hospital Monday, for observation and treatment.

Dewey Sanderson was discharged from Memorial Hospital to his home 1037 Broadway, Monday afternoon.

Eldon Shoop of the Greenfield Road, entered Memorial Hospital Monday as a patient for medical treatment.

Charles Adams of Sabina was admitted to Memorial Hospital, Monday afternoon for an emergency appendectomy.

Mrs. Floyd Southworth, 702 East Paint Street, was admitted to Memorial Hospital Monday, for surgery Tuesday morning.

Mrs. Edward McAuliffe of Jeffersonville, was admitted to Memorial Hospital Monday afternoon for surgery Tuesday morning.

Mrs. Louis Boggess was discharged Monday to her home on the Wilson-Silcott Road after undergoing surgery in Memorial Hospital.

Tony Capuana was released from Memorial Hospital Monday afternoon, to his home 220 Forest Street, where he is recovering from surgery.

John Newton was taken from his home, 618 Peabody Avenue, to Memorial Hospital, Monday evening, in the Parrett ambulance, for medical treatment.

Mrs. J. H. Hendryx, who was released from Memorial Hospital Sunday, was taken to the home of her daughter, Mrs. L. M. Davidson, 509 East Street.

Mrs. Mollie Smith was removed from 716 Clinton Avenue, Monday evening and taken in the Parrett ambulance to Memorial Hospital for medical treatment.

Frank Kaufman, 129 North Hinde Street, was taken to Dr.

## Politics Boiling

(Continued from Page One)  
silent tacit "yes" there was not immediately explained. However, the general has been quoted several times in saying he had no political ambitions, would not be a candidate in any state primary.

Taft and Stassen tangled first in the Wisconsin primary April 1. Opening a two-day campaign in that state, Taft said Monday, "there is no better place to test my candidacy than Wisconsin. I shall make this the main battleground for an all-out campaign for the nomination."

After he and Kefauver were entered in the Illinois primary, McMahon issued a statement saying Illinois backers "have done me great honor."

Senate sources said the name of Vice President Alben Barkley may be boomed soon by Kentucky Democrats for the top party spot if President Truman continues his silence about seeking another term. Senator Humphrey has emerged as a "favorite son" candidate to help Mr. Truman control the Minnesota delegation to the Democratic convention.

And more "favorite sons" are expected to bob up in several other states.

Keating's office in Columbus for treatment and returned Monday in the Kirkpatrick ambulance.

Mrs. Claude Justice and infant son, Elvin Edward, were discharged from Memorial Hospital and taken to their home 1301 Forest Street, Monday afternoon in the Hook and Son ambulance.

Mrs. O. A. Dick was released, from White Cross Hospital, Columbus, Monday and returned to her home, 123 East Temple Street. She had been a patient for the past few days for observation and treatment.

Mrs. Sherman Klever was dismissed from Memorial Hospital Monday afternoon, and returned to her home on the Jeffersonville Road in the Parrett ambulance, after being a patient for treatment of a broken leg.

Corporal Paul E. Lucas of Mid-dletown, son of Mr. and Mrs. C. F. Lucas, 426 East Market Street, left Sunday for Camp Polk, Louisiana, with the 37th Infantry Division. Mrs. Lucas and son Paul Davis, will retain their residence in Mid-dletown during his absence.

### Mrs. Myrta Lane Rites Set Here on Wednesday

Funeral services for Mrs. Myrta Lane will be held at 2 P. M. Wednesday at the Kirkpatrick Funeral Home, with Rev. Don McMillin, pastor of the First Christian Church in charge.

Friends may call at the home of her daughter, Mrs. Ray Bowers, 219 Draper Street, until 12 noon Wednesday.

Burial will be made in the family lot of the Washington Cemetery.

### Gas Heating Issue In Supreme Court

COLUMBUS, Jan. 22 — (P)—Cincinnati Gas and Electric Co.'s battle for new gas space-heating installations went to the Ohio supreme court Monday. The Public Utilities Commission of Ohio has placed a ban on the installations and turned down a rehearing request from the Cincinnati firm.

The Cincinnati company contends the order allowed East Ohio Gas Co. and Ohio Gas Co. to install certain space-heating equipment, but denied the same right to the Cincinnati company.

### Blessed Events

Mr. and Mrs. Ralph Warner, 245 Court Street, are the parents of a nine pound four ounce son, born Monday at 11:36 P. M., in Memorial Hospital.

A son, weighing six pounds six ounces, was born to Mr. and Mrs. Everett Caplinger, 301 South North Street, in Memorial Hospital, Tuesday at 12:34 A. M.

## Vet Loan Fund

(Continued from Page One)  
gram was started amount to slightly less than one-half of one per cent, the officials said. They added that the net amount paid on the total initial principal of \$16,403,000 amounts to less than \$1 on each \$1,000 of principal. This record compares favorably with the experience in other fields of home financing.

Claims paid have involved a total of \$28,712,000, but through liquidation of the property on which default was made the government recovered more than \$15 million, they explained.

And they added that further recovery may be made to reduce the \$13,591,000 net cost thus far. The loans are made by private lenders at interest rates not to exceed four per cent. Usually they call for repayment in 20 years, but they can be for periods up to 30 years.

The maximum amount guaranteed by the VA generally was \$4,000 until last year, when the limit was raised to \$7,500. The VA guaranty until last year could cover only 50 per cent of a loan, but when the top limit was increased this was changed to 60 per cent.

## Economy Demands

(Continued from page one)  
Congress may concentrate its economy drive on the old-line civilian agencies.

Cuts of up to 10 per cent in civilian employment have been demanded by leading Republicans, who claim such a slash would save \$1 billion dollars in the new year.

Defense spending also is likely to be curbed, but barring an unexpected turn for the better in world affairs, no deep cuts are probable. Congressional sentiment on military spending in this general election year was disclosed pointedly last week when the House approved an \$832 million annual pay raise for armed service personnel by a topheavy vote.

There was one thing fairly certain about the fiscal outlook: The President isn't likely to get any of the extra tax revenue he wants. His budget message called for \$4.6 billion in more taxes. Congress doesn't take kindly to tax increases in election years.

### 20 Gamblers Fired

BARBERTON, Jan. 22 — (P)—Twenty persons who pleaded guilty to frequenting a gambling place have been fined \$6 and costs. They were arrested a week ago in a raid led by Mayor Ted Parker.

## The Nation Today

By JAMES MARLOW

WASHINGTON, Jan. 22.—(P)—President Truman's budget message is a reminder not to get careless with words like "free enterprise" and "individualism" in a country where the government is a real uncle to a lot of businesses and a lot of people.

The message is loaded with special help of one kind or another for various businesses and groups.

It provides as usual for the long-established government agencies which regular business: Interstate Commerce Commission, Federal Communications Commission, and the rest.

There's nothing new about it. Now, of course, there are added the emergency controls on prices, wages and materials and special benefits for defense industries.

The message, like others before it for generations, merely illustrates again American business has never been completely free of government regulation or special help. The Constitution itself gives the government the right to regulate commerce.

AND FROM the earliest congresses which passed the tariff acts business has received protection from foreign competition. Through the years the help and regulations have taken many forms. For most of our history the help was mostly for business. Help for groups of people has come mainly in recent years.

A dozen years ago the American economist, Richard T. Ely, said: "It is not unfair to our political history to say that, next to the defense of the nation, the development of beneficent economic policies has been the chief concern of the United States government."

Among examples supporting his statement, Ely pointed out the government made land grants of 129 million acres to the western railways and that, between 1870 and 1900, over three million new farms were given away under the Homestead Act.

And over 20 years ago, during President Hoover's administration, the American historian Charles Beard wrote, "there is some confusion on the subject of individualism and it ought to be examined history."

Here are examples of government help in the budget message:

Subsidies to the shipping industry, which gets special tax concessions; to help the airlines expand, dispassionately in the light of its subsidies, loans for local airports, various navigation aids, and so on; help to states in highway construction; carrying newspapers and magazines in the mails at less than cost;

TREMENDOUS help to farmers with price supports, loans, research and other benefits; loans and payments to cities for low-cost housing for low-income families; lunches for school children; rehabilitation of the disabled; assistance to more than 2,700,000 needy old people; and enormous benefits for war veterans, ranging from free education to preference in government jobs, guarantees on loans for homes, and medical care for non-service-connected disabilities.

### Perfection Is Noted

BAGUIO, P. I., Jan. 22.—(P)—Francisco Jalon gave up golf after 30 years of fighting par. The 69-year-old Jalon scored a hole-in-one on a 157-yard hole at Camp John Hay course. He said that was perfection, and gave away his clubs.

### Audisio Is Ailing

FLORENCE, Italy, Jan. 22.—(P)—Unconfirmed reports say Walter Audisio, 42, former partisan leader who killed Benito Mussolini, is seriously ill in a hospital here. The reports said he suffered a stroke.

## New Auctioneer

Paul Winn, who lives near Jeffersonville, has been graduated from the Reppert School of Auctioneering in Decatur, Ill. and is ready to begin business in this area. He has lived in Fayette County for the past six years.

Paul Winn

Winn plans to concentrate on farm auctions. Since he has just completed his training, he plans to aid other auctioneers in the ring in order to gain more experience in the art of selling with a chant. There are a lot of things in auctioneering that aren't taught, Winn said. You just have to learn them from experienced auctioneers.

The Reppert School of Auctioneering is considered to be one of the top schools of its kind in the country, Winn said.

## Safety Instruction

(Continued from page one)  
youngsters know what the lights mean, but she said they were not familiar with some of the safety rules.

Supt. Stephen Brown said the light will be rotated in the other elementary schools in the city for instructional purposes.

IT ONLY STANDS some 4 or 5 feet high and operates from a 110-volt electrical outlet. A switch controls changes of the amber, green and red lights.

Supt. Brown commended the safety committee through one of its active members, Harold Craig, and wrote in a letter to the committee:

"In our teaching of safety in the schools there are many children who do not grasp the principles of traffic lights. Having a miniature light in the classroom would certainly be a splendid way of visible teaching of this vital knowledge."

Members of the safety committee hit upon the idea of some type of a gadget which could be rigged up and used in the first few grades to educate youngsters about traffic lights.

HAROLD CRAIG was named by the safety committee chairman, Ray Brandenburg, to check into this possibility. Craig called on the Fayette County Auto Club and told Howard Allen about his problem.

Allen said he would get in touch with the national headquarters in Washington D. C. to find out whether there wasn't some sort of safety device which would answer the safety committee's desires.

A short time later he received word that the School Safety Light Corp. of Cleveland made the device, and he promptly ordered one.

The device arrived last week, and was put into use in Central School. Supt. Brown said other elementary schools in the city will have an opportunity to use the device for perhaps two or three weeks each.

Members of the safety committee besides Brandenburg and Craig are Chief of Police Vaiden Long, Neil Hercules, Joe Peters and Dale Ward.

"IT'S SO EASY TO PLACE A WANT AD."

## Chemistry Key To Oil Supply

Synthetic Gasoline Not Far off, Belief

NEW YORK, Jan. 22.—(P)—Chemistry may break the deadlock between the government and the oil industry and produce synthetic gasoline commercially "much sooner than many think."

This is the opinion of the research manager of Koppers Company in Pittsburgh, in announcing that its research department is going to set up a pilot plant for the conversion of coal to synthetic liquid fuels.

What they'll aim at is not so much the synthetic gasoline they'll make but the valuable chemicals the process will also turn out.

Government officials are plugging steadily for commercial plants to turn coal or shale into gasoline and fuel oils. They contend this would be a national safeguard if war should deplete present supplies of petroleum. And they think the synthetic gasoline can be produced from our abundant coal and shale supplies almost as cheaply as from petroleum.

OIL INDUSTRY leaders have criticized this contention. They claim the synthetic gasoline would be far more expensive to produce and they say that the tax money and steel would be better used to expand the oil industry facilities. They also say oil reserves are sufficient for even a war emergency.

Dr. G. F. D'Alleio, Koppers research manager, agrees with both sides to some extent. He says:

"While plants to make gasoline from coal are costly to build and gasoline could not presently be produced in them at prices in competition with petroleum gasoline, research is finding ways to produce an increasing number of valuable chemicals in such processes."

"These processes can be regulated to produce more chemicals and less gasoline. It is here that upgrading of products may re-

sult in a 'coal to gasoline' plant becoming economically feasible much sooner than many think."

The Koppers pilot plant in Verona, Pa., will produce gasoline of aviation rating, but also a long list of aromatic chemicals such as benzene, and also phenols and cresols, alcohols, aldehydes, ketones and fatty acids. The commercial value of these would make plant operation profitable, Alleio says.

The bureau thinks that if the synthetic gasoline cost 11 cents a gallon to produce the investors would get a six per cent return on their money. The council says that to get six per cent the investors would have to sell the gasoline at 41 cents a gallon.

The bureau thinks the value of the by-products would be \$42 million a year. The council estimates their value at \$16 million. To try to reconcile these views the government has hired Ebasco Services, Inc., to make an independent report.

## Business Is Urged To Curb Pollution

COLUMBUS, Jan. 22.—(P)—Attorney General C. William O'Neill is urging Ohio businessmen to co-operate with government agencies in ending pollution of streams with industrial wastes.

The attorney general is working with industries and cities to abate stream pollution without resorting to court action to force compliance with new anti-pollution laws.

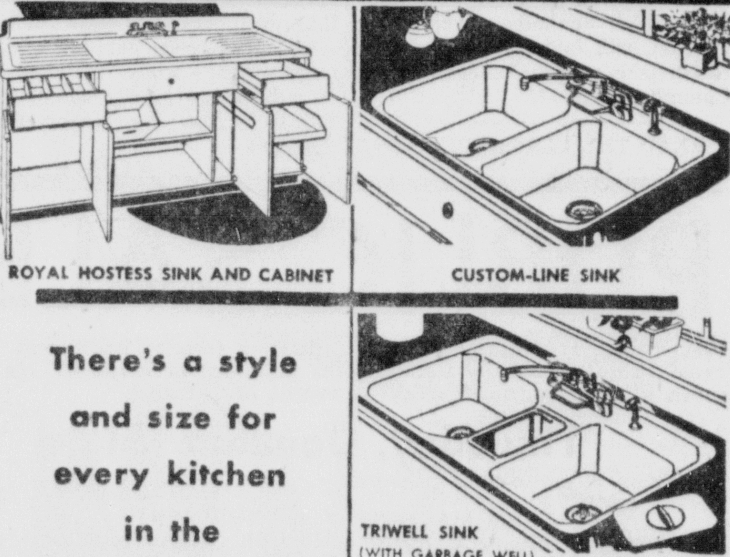

The first machine for making wire nails from iron and brass was built over 100 years ago in New York City.

## Cattle Starving In Colorado Snow

GUNNISON, Colo., Jan. 22.—(P)—Continued snow on Colorado's western slope threatens to halt attempts to reach 1,500 starving cattle marooned by giant snowdrifts. The animals, valued in excess of half a million dollars, are believed trapped in a valley 20 miles long and two miles wide. Drifts were reported 18 feet deep in spots.

Oak wilt attacks shade and ornamental oaks as well as those in forest stands.

## Recruiters Are Busy in January

10 County Men Sign Up in Army and AF

The U. S. Army and Air Force recruiting office here have been having a "land office" business during this month, according to Sgt. Clarence Longberry and S. I. C. Dennis Bonifant.

They reported that 10 men from Fayette County and four from Greenfield have enlisted in the army and air force since the start of the month.

The preference here appears to be for the air force. Eight of the men signed up for four-year enlistments in air force and only two in the army.

AIR FORCE enlistees will go to Lackland Air Force Base in San Antonio, Tex. while the army men will go to Camp Meade, Md. for two weeks of indoctrination before being sent to other army camps for their basic training.

Air force enlistments from Fayette County included the following men: Charles W. Young Jr., 20, Harold D. Smith, 19, and Thurman

H. Warnock Jr., 20 and Dale E. Dawes, 1, all of Jeffersonville; Loren B. Yoho Jr., 19, of 703 Park Drive; Donald E. Webb, 19, of near Washington C. H.; Robert F. Bachelor Jr. of Washington C. H. and Max E. Grim, 17, of Bloomingtonburg.

Men from Fayette County who signed up with the army included Malen L. Exline, 18, and Paul G. Farmer, 18, both of Jeffersonville.

Recruiters here said that until March 31 men who have received their pre-induction notices may enlist in the army or air force up until the time they receive their induction notices.

## Gas Tax Distributed

COLUMBUS, Jan. 22.—(P)—State Auditor Joseph T. Ferguson has announced distribution of \$1,414,800 to the counties and townships from gasoline excise tax fund. Each county will receive \$10,000 and each township \$400.

# Aero-Design and New Hurricane 6 Engine Give the Aero-Willys Mileage up to 35 Miles per Gallon

WARNING  
Don't drive the new Aero Willys unless you are prepared to be dissatisfied with your present car.

It's the big car news of the year—this beautiful Aero Willys! For no other car gives you 61-inch-wide seating, front and rear... and a smooth, quiet air-borne ride... and take-off performance... and sensational mileage—up to 35 miles per gallon, with overdrive. It is aero-designed—low and wide, big inside and streamlined from its plane-wing hood to its rear air-fins. It has a new 7.6-compression Hurricane 6 engine, turning up 90 horsepower on regular gas. That's why the Aero Willys is a performing ace, a record-maker on mileage.

See the Aero Willys today—you'll see why it is the most talked-about car of '52. Never before such panoramic visibility—you can see all 4 fenders from the driver's seat, see the road just 10 feet ahead! We invite you to ride in the Aero Willys and experience the cloud-soft cushioning of its unique springing, aero-type shock absorbers and rubber-floated drive. Road-test it and see how its low center of gravity—only 23 inches from the road—holds it steady and sure on curves. See it now—the one that's really new for 1952.

See the Most Exciting New Car of 1952—

# Emergency Call for Blood Donors At Hospital Here Is Met Quickly

The importance of the blood bank to Fayette Countians was underscored here Monday when blood was needed to meet an emergency at Memorial Hospital.

It was for a maternity case, not further identified by the hospital.

The hospital has been forced to draw on the Cleveland blood bank in recent weeks because of unexpected drains on the Columbus bank which normally supplies the needs of Fayette Countians.

When the emergency arose Monday, a call for fresh blood was

made hurriedly to Red Cross headquarters here.

Miss Mary Robinson, the executive secretary of the chapter here, and the staff swung into action.

**THE FIRST STEP** was to turn to the list of donors on regular emergency call. Because of the time, a little after noon, difficulties were encountered, for blood donations are not accepted until several hours after the donor has eaten.

Several on the list were called before the first who had not already had lunch was found. It was the same until three of the right type who had not yet been to lunch were located.

All of those called, Miss Robinson said, were willing and anxious to help meet the emergency, and were disappointed when told they would not be acceptable.

The patient had been given transfusions of three units from the hospital's blood stock, but three more were needed—and without delay.

Within half an hour after the call was made to the Red Cross, Kenneth Blair, Wayne Bower and Mrs. Stephen Brown were at the hospital ready to give transfusions of whole blood.

The significant comment afterward was summed up in five words: It probably saved a life.

The three pints that were donated for the direct transfusions will be credited to Fayette County's quota of 125 pints for January.

**THE MOBILE UNIT** is coming here again next Thursday. It is to be set up this time at the First Presbyterian Church.

In the past, the unit has been at the American Legion Hall, but because the second floor has been closed temporarily the blood donation site was shifted to the Presbyterian Church.

When the unit made its last call here, the donations were far under the 125-pint quota. The time before, they exceeded the quota by about 25 pints. The lapse on the December call was blamed on the snow and ice-coated roads that kept so many from getting around as they normally would.

As in the past, the appointment system is being followed again for the coming visit of the mobile unit. A call to the Red Cross is all that is necessary to get an appointment to suit the donor's convenience.

Virtually the same committees and staffs of helpers will lend a hand when the unit comes next Thursday. Because of their experience, progress is much faster now than in the early days of the mobile unit.

Thomas Mark, head of the overall blood program for the county, emphasized again the importance of abstinence from food before giving blood.

**Acheson Asks Okay On Four Agreements**

WASHINGTON, Jan. 22—(AP)—Secretary of State Acheson asked the Senate Monday to approve the Japanese peace treaty and three other security pacts. He described them as the basis for a new and "effective system of regional security in the Pacific."

The other pacts are the mutual defense treaty with the Philippines, security treaty with Australia and New Zealand, and security treaty with Japan.

**Ohioan in Crash**

SACRAMENTO, Calif., Jan. 22—(AP)—Cpl. Lee R. Wilder of Hamilton, O., was among those injured in the crash of a B-25 bomber on the roof of Mather Air Force base guardhouse Saturday. Six men were killed.

## Seven Indicted By Grand Jury

One True Bill Secured  
And 3 Cases Ignored

Seven indictments were returned by the Fayette County grand jury when it reported Monday afternoon. One of them was secret.

Three other cases were ignored. Judge Harry M. Rankin announced that those indicted will be arraigned Thursday at 9 A. M.

Ray Maynard was foreman of the jury. The other jurors were Louise McKillip, Marvin Dement, Thomas Flynn, Mary Jane Sell, William Anderson, Anthony H. Huntington, Welman Gorman, Warren Brannon, Elmer Hutchison, Chester Jones, Margaret Hurr, Jean Dice, Ivy Coil and Frank Thatcher.

The three cases ignored by the jury were those against John Adams for assault and battery; William Leasure for issuing worthless check and Ted Riggan for giving check without funds.

**ONE OF THE MEN** indicted, Harold Woodrow Mongold, is now serving time in the state reformatory for violating his probation on a breaking and entering charge.

The indictment against Mongold is for entering the Barnhart Oil Co. station with intent to steal.

Others indicted were:

Vera Janice Morris, for uttering and publishing a forged check for \$350, Dec. 5, 1951.

Russell Harris for carrying concealed weapons. He was arrested Dec. 18, 1951, with a revolver in his possession.

Lawrence Nicely, for stealing a Ford car from Charles L. Blue.

Clem Starkey, for drawing check for \$185.44 without funds, April 3, 1951.

Charles Bryant, for uttering and publishing a forged check for \$42 on July 15, 1950.

**Ohio Ministers Meet January 28-31**

A number of Fayette County ministers will attend the 33rd annual Ohio Pastors' Association convention in Columbus, Jan. 28-31, inclusive.

A number of prominent churchmen will be on the program during the three days to talk on pertinent subjects of interest to all ministers.

Two bishops and four of the nation's top ranking ministers will be on the speakers roster. The bishops are Dr. C. Bromley Oxnam of the Methodist New York area, and Dr. Hazen G. Werner of the Ohio area.

The fellowship supper will be held at the Ohio Union building on the OSU campus. The dining room will have capacity for 1,200 persons.

**Howard Winner Goes To New Jersey Store**

Howard Winner, who was the assistant manager of the J. C. Penney Store here from 1940 to 1948 (including three years in the army during the war), is now the assistant manager of the Penney Store in Camden, N. J., one of the company's biggest stores.

Winner was transferred from the Washington C. H. store to the one in Covington, Ky., as assistant manager.

Mrs. Winner is the former Miss Elsie Bolton of Washington C. H. The Winners have three children.

**OHIO MINISTERS MEET JANUARY 28-31**

A number of Fayette County ministers will attend the 33rd annual Ohio Pastors' Association convention in Columbus, Jan. 28-31, inclusive.

## Gibson, Terhune Find It's Tougher Lose Weight Now

The more weight they lose, the tougher the job. . . and that's just the way Bob Terhune and Don Gibson had expected it to be.

During the last five days they lost only 3 pounds apiece.

The first week Gibson set the pace with a loss of 11 pounds to 8 by Terhune.

They started out Jan. 2 on their personal projects to lose 25 pounds each before Feb. 22, with Terhune tipping the scales at 286 and Gibson at 248.

At the end of two weeks of dieting, Terhune weighed 275 and Gibson 233.

They fudged a couple of days on the weigh-in time this week when they stepped on the scales Monday instead of the regular Wednesday because Gibson had to be in Columbus for a meeting of managers of the Economy Savings & Loan Co. offices Tuesday and Wednesday.

SO, AFTER 18 DAYS of dieting, Gibson still had the edge with a loss of 17 pounds down to 231, while Terhune was losing 13 down to 233 pounds.

Under their agreement, either one who fails to lose 25 pounds by Feb. 22, will do a tap dance in public at the Lions Club minstrel three days after the deadline.

They still are sticking pretty close to their diets under the supervision of their physicians, they said. Their menus are made up principally of green salads with vinegar dressing and lean meats.

Reducing or appetite dulling drugs are taboo, they emphasize.

Terhune's biggest complaint still is cutting down on water. The restricted food diet, he said, is not so bad. Gibson said he had cut down on his water, too, but added he did not miss that so much as pie and cake and potatoes.

**Captain Is Rebuked For MP Brutalities**

CINCINNATI, Jan. 22—(AP)—A former military police commander in Cincinnati has been reprimanded and made to forfeit \$300 in pay by an Army general court martial.

Capt. Kemper P. Muench Jr. was convicted on one count of allowing his military police to club and kick a prisoner, and on two counts of borrowing money from enlisted personnel.

The trial took five days, but the court needed only 13 minutes late Saturday to return a verdict. Besides the reprimand, it specified that Muench must forfeit \$50 monthly of his pay for six months.

Two military police sergeants, Robert Booth of Cambridge, O., and Orville Kessel of Ripley, W. Va., were made to forfeit part of their pay, were reduced in rank to private and were sentenced to prison at hard labor for their parts in the beatings.

**Kefauver Expected To Make Ohio Bid**

WASHINGTON, Jan. 21—(AP)—Senator Kefauver (D-Tenn.) is expected this week to send written permission for delegate candidates to run in the May Ohio primary on his behalf.

This would be the first open avowal by the Tennessee senator that he is actively seeking the Democratic nomination for President. Deadline for filing for the primary in Ohio is Feb. 6.

## Another Bright Spot For Business Area

Within the next few days, the business section on West Court Street will have another bright spot when the remodeling of the front of Bryant's Restaurant is completed.

Most of the work is finished—at least enough of it to show what the finished front will look like.

The upper half, from the top of the door to the second floor, has been resurfaced with blue glass. The lower half is done in cream and blue tile.

A band about two feet wide on each side of the double storm doors has been laid with glass brick. The mortar between the brick is flame red to match the same brilliant color of the doors.

New brass hardware also has been installed on the doors.

The sign which has been on the front for several years is to be replaced in the spring when the weather improves with a new vertical sign on which the words "Bryant's Restaurant" will be the outstanding feature.

Joe Loudner, the proprietor, admitted "it's pretty loud. . . but that's the way I wanted it. It's been too drab for too long. . . I wanted to brighten it up."

**Fee To Be Increased At Miami University**

OXFORD, Jan. 22—Along with other state universities in Ohio, Miami University will raise its registration fee starting next September, W. P. Roudebush, vice president in charge of finances, announced today.

The present fee of \$45 a semester for Ohio students will be raised to \$52.50, he said.

Included in the revision will be an additional increase for new out-of-state students who will be required to pay a fee of \$75 a semester in addition to the regular registration fee of \$52.50, according to the Miami vice president. The present out-of-state extra fee is \$50 a semester.

## Revising of Constitution Is Topic Discussed at LWV Meeting Monday

"The League of Women Voters of Ohio has studied the constitution for two years and has taken the definite stand that a convention is very much needed to revise the constitution in keeping with today's problems and demands. Our present constitution was written in 1851, when the State of Ohio was quite different from what it is today."

Such was the pleasing declaration of Miss Dorothea Gaut, chairman of the department of Constitution in the League of Women Voters of Fayette County, at a meeting which was held at the hospitable home of Mrs. Walter D. Craig, on Monday afternoon.

The president of the League, Mrs. Minnette Y. Fritts, presided at the meeting which was filled with enthusiasm and high expectations.

She told of a meeting of leaders planning the 1953 Ohio Sesquicentennial observance, at which a President's Club, comprised of presidents of the numerous organizations in Fayette County, is being formed, including, of course, the president of the League of Women Voters. In organizing the Sesquicentennial the proposed revision of the Constitution will have a major place in consideration.

Miss Gaut, who was the principal speaker of the afternoon, quoting from a prepared radio and television program, gave a background for the need of consideration of the urgent problem of revising the Constitution.

She said, in part: "In 1952, there automatically will appear on the ballot the question, 'Shall there be a convention to revise, alter, or amend the Constitution?' It is not too early to be talking about the vote in November, 1952, because it takes study to understand the constitution and most people do not know the vote is coming up. It will take a long time to educate the people so they can vote intelligently."

"Ohio is using a constitution that is 100 years old. It has been added to, with amendments, but nothing has ever been taken out. Our constitution is like an attic which is crowded with old family relics."

## Hairdressers Meet Monday Evening

The regular meeting of the Hairdressers Guild was held at the Washington Hotel Monday evening with members from Wilmington, Jamestown and Chillicothe attending.

Mrs. Pauline Houser, president of the guild presided over the business session during which reports were given by the standing committees. Discussions were held on the Hairdresser's convention to be held at the Neil House in Columbus Feb. 16-17-18 and plans were made to attend.

Mrs. Herbert Plymire was program chairman and introduced Mr. Ned Kams of Dayton, hair stylist and lecturer demonstrated with two models the "Poodle Haircut" and later discussed this cut as well as several hair styles which was most interesting as well as instructive.

The next meeting on February 25 will be held at the Washington Hotel.

## Grady-Geiger Nuptials Read In Columbus Saturday

Glenwood Methodist Church in Columbus was the setting on Saturday January 19 for the wedding of Miss Jeanne Carol Grady, daughter of Mr. and Mrs. Charles W. Grady, 619 Salisbury Road, Columbus and Mr. M. Lynne Geiger son of Mr. and Mrs. Lester Geiger of the Greenfield and Sabina Road.

Rev. Joseph B. Schellhaff, read the double ring vows as the hands of the clock approached three in the afternoon which was preceded by a program of organ music including "Because," "I'd Hardly" "Through The Years," "Youmans" and the traditional wedding marches.

As a background for the wedding party the altar was banked with ferns and baskets of white flowers softly lighted with white tapers in tall seven branch standers.

Miss Sue Christopher of this city, niece of the bridegroom attended the bride as maid of honor.

Mr. Tom Christopher, nephew of the bridegroom, was best man and ushers were Mr. Harold L. Geiger of Birmingham, Michigan, brother of the bridegroom, Mr. Ned Smith of Columbus, cousin of the bride.

The bride given in marriage by her father was gown in traditional white satin, fashioned with a sweeping long train.

The moulded bodice with long

pointed sleeves had a tiny collar with tiny buttons of satin extending to the waistline in a front fastening, and the V shaped yoke was outlined with lace inserts of net and satin.

Her veil of illusion was held in place with a tiara of seed pearls and the white prayer book she carried which was a gift of the groom was topped with a cascade of white roses and swansonia.

The maid of honor was wearing a floor length gown of violet taffeta and nylon net with a matching Juliet cap of net and she carried a muff of net and taffeta covered with pink carnations from which fell cascaded streamers.

The bride's mother chose a grey faille gown with pink accessories and the groom's mother wore a black gown with pink accessories. Both mothers had corsages of pink carnations.

Later a reception was held in the church dining room, and the reception table was adorned with white flowers and tapers which flanked the wedding cake.

For their wedding trip the bride changed to a grey suit with black accessories and upon their return they will establish their home at 2030 1/2 Sunset Ave. in Springfield.

Both Mr. and Mrs. Geiger graduated from Ohio State University in June of 1951, where the bride was a member of Mortar Board, Phi Upsilon Omicron home economics honorary and during her senior year was president of Pleiades, Women's Independent Organization.

Mr. Geiger received his degree in engineering and is a member of Alpha Gamma Sigma Fraternity, Tau Beta Pi and Ternikoi engineering honoraries, and was president of the engineers council.

He is now associated with the Oliver Corporation in Springfield.

## Personals

Mr. John Forsythe is spending this week in Cleveland on business.

Mr. and Mrs. Paul L. Heermann of Hamilton, were Sunday guests of Mr. and Mrs. J. Roush Burton.

Mrs. Verena Bennett and son, Paul, of Bloomingburg, had as Sunday guests Mrs. Rose Diehr, Mr. and Mrs. Harold Diehr, son Larry, Mrs. Kathryn Yarnell, Mrs. Helen Rhoades of Columbus, Miss Anna-belle Bennett, Mr. and Mrs. Chester Lemons and daughter of Dayton.

Mrs. Ethelyn James has returned from a ten day visit with her aunt, Mrs. Alvin Courtney, at her home in Falmouth, Kentucky.

## Class Meets with Becky Armbrust

Members of the Friendship class of McNair Church met at the home of Miss Becky Armbrust, Monday evening.

The meeting was opened by the president, Miss Harriet Hamilton and the devotions were led by Miss Ruth Trenner.

The usual reports were followed with the announcement that \$28.30 was cleared on the bake sale held recently and donations were made to the March of Dimes and for the purchase of the new church furnace.

Friendship secret sisters were chosen for the coming year and the meeting was closed with the reading of a poem by Miss Luberta Jinks.

Two contests were enjoyed during the social hour and awards were presented Misses Harriet Hamilton and Luberta Jinks.

A delicious refreshment course was served by the hostess assisted by Miss Betty Leach to the following, Mrs. Charles Keaton, teacher, and members, Mrs. David Looker, Mrs. Joseph Hidy, Mrs. Don Campbell, Mrs. Argus Hollbrook, Misses Mary Lewis, Betty Leach, Harriet Hamilton, Luberta Jinks, Helen Lewis and Ruth Trenner.

## Two Share Honors At Birthday Party

Mrs. Paul Thornhill and Mrs. George Robinson, Jr., were feted with a birthday anniversary party on Monday evening by a group of friends.

A steak dinner was enjoyed at Anderson's Drive In and the honorees were presented with lovely gifts.

Later in the evening the group attended the movie, "Decision Before Dawn," at the Fayette Theater.

Those enjoying the informal affair with the guests of honor were Mrs. Gene Miller of Cedarville, Mrs. Robert D. Miller, Miss Alice Davis and Miss Christine Switzer.

## OUCH! My Acid Stomach!

Too Bad He Didn't Know About TUMS  
A roll of Tums costs only a dime. But it's "worth its weight in gold" when acid indigestion causes gas and pressure pains. Tums neutralize stomach sourness almost before it starts—without risk of acid rebound. They contain no baking soda or other water soluble alkalis to over-alkalize. That's why millions always carry Tums for top-speed relief. Eat 1 or 2 Tums after meals or when over-indulgence in eating, smoking or drinking brings acid distress. Keep Tums handy—eat like candy. Get a roll today.

## Musical Program Is Presented at Mothers' Circle

Mrs. William A. Lovell extended the hospitality of her home to the members of Mothers' Circle for a delicious covered dish luncheon preceding the regular monthly meeting.

The business session was in charge of the vice president, Mrs. William B. Clift Jr. in the absence of the president, Mrs. Robert Dunton.

Roll call was responded to by thirty members and following reports of the standing committees the society voted to contribute to the March of Dimes and to purchase a Health Bond.

Participation in the Sesqui-Centennial was discussed and plans were made, to assist.

The business session was adjourned and the program was in charge of the music committee with Mrs. Otis B. Core, chairman, Mrs. Robert Parrett and Mrs. Paul Dougherty, using as their theme "Stephen Foster" and consisting of numbers by a string quartet composed of Mrs. Charles Sheridan, Mrs. Otis Core, Mrs. Robert Parrett and Mrs. John P. Case.

"Ring The Banjo" and "Gentle Annie", followed with a sketch of Stephen Foster's life by Mrs. John Bailey, which included how he first took up bookkeeping in Cincinnati and since his interest in this work was so slight he drifted back to music which was his first interest to the disgust of his family who almost disowned him.

His success in music was never fully appreciated until after his death, except for his wife who was a loyal supporter of his musical talent.

Stephen Foster died in New York without realizing the success he was so deserving of, since he was so generous and kind.

The skit entitled "Thirty Minutes With Stephen Foster" was enacted in costume by Mrs. Leonard Korn as Stephen Foster, Mrs. Howard Foster his mother, Mrs. C. G. Hayes as "Jeannie", Mrs. Fred Enslin as "Suzanna" and Mrs. Harry G. Craig as "Miranda" the housemaid. The skit included speaking parts, a duet "Jeannie With The Light Brown Hair", by Mrs. Hayes and Mrs. Foster; vocal solo "Oh Suzanna" by Mrs. Craig; another vocal solo "Beautiful Dreamer" by Mrs. Enslin and "My Old Kentucky Home" by Mrs. Korn, with Mrs. Core as accompanist and a chorus composed of Mrs. Sheridan, Mrs. John O'Conner, Mrs. Paul Dougherty, Mrs. Francis Haines and Mrs. John Bailey assisted in the musical numbers.

Hostesses for the afternoon were Mrs. John Leland, chairman, Mrs. Charles Sheridan, Mrs. John Bailey and Mrs. John O'Conner.

## Wedding on January 1

Mr. and Mrs. Willard Farrell Baird

Salem Evangelical and Reformed Church in Chillicothe was the setting at 3 P. M. on Tuesday January 1 for the wedding of Miss Virginia Carol Smith and Mr. Willard Farrell Baird.

The double ring ceremony was read by Rev. R. E. Schluer, pastor of the church, assisted by Rev. Eugene Frazer, pastor of the Good Hope Methodist Church.

The bride is the daughter of Mr. and Mrs. Walter D. Smith of Patton Hill Road, Chillicothe and Mr. Baird's parents are Mr. and Mrs. Everett Baird of the Good Hope Road.

One large arrangement of poinsettias chrysanthemums and evergreen flanked by lighted tapers in two seven branch candelabra decorated the altar and white satin bows with evergreen sprays marked the family pews.

Preceding the ceremony a musical program was presented by Miss Emma Katherine Smith, soloist and Mrs. R. E. Schluer, organist.

Given in marriage by her father the bride wore a ballerina length gown of white lace and net over taffeta. Her fingertip veil was caught to a lace cap and she carried a white Bible topped with a cerise throated orchid.

Miss Helen Ann Smith of Fort Wayne, Indiana, a cousin of the bride was her only attendant.

She wore a green lace and net dress over green taffeta styled similarly to the bride's with a matching lace hat and carried a colonial bouquet of red and white carnations.

Mr. Harlan Baird, brother of the

## Cecilians Announce Plans for Meeting

A three-part women's choral group under the direction of Miss Christine Switzer will present a varied program of sacred music at the regular Cecilian Music Club meeting on Wednesday evening at the home of Mrs. George Pensyl. Those taking part in the chorus will be Mrs. Alfred Conaway, Mrs. J. Rankin Paul, Mrs. Arthur Engle, and Mrs. M. Grove Davis, first sopranos; Mrs. John Forsythe, Miss Jean Everhart, Miss Clara-bele Robinson, second sopranos and Miss Verna Williams and Mrs. Mary Gillespie, altos. The group will be accompanied by Miss Margaret Gibson, pianist with Mrs. Charles Sheridan, violinist, assisting.

Hostesses for the evening, are Mrs. G. B. Vance, Mrs. Donald Schwaigert, Mrs. Harry G. Craig and Mrs. Arthur Engle.

bridegroom served as best man and ushers were Mr. Robert Smith and Mr. Wayne Baird.

Mrs. Smith was wearing fuchsia crepe with a gardenia corsage and the bridegroom's mother chose a navy blue crepe dress and she also had a gardenia corsage.

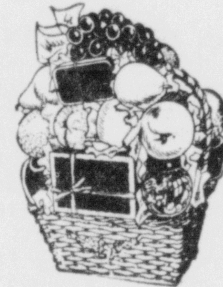

Immediately following the ceremony a reception was held in the church parlors for relatives and a few close friends.

For their short wedding trip the bride wore a navy blue suit with matching accessories and her orchid from her bridal bouquet.

Mrs. Baird graduated from Chillicothe High School and was formerly employed at the Mead Corporation in Dayton.

Mr. Baird graduated from Wayne High School and is associated with the Fayette Farm Service here.

They are residing at 618 Leesburg Avenue.

## Lost 29 Lbs. Cincinnati Man Did It With Rennel

"Before I started to take Rennel Concentrate I was always bloated, full of gas and overweight," writes John Paris, 1561 Pullan Ave., Cincinnati 23, Ohio. "I decided to give Rennel a good trial and after about 4 weeks I had lost 29 lbs. I was also relieved of bloating and gas which had bothered me continually before. I would recommend Rennel to anyone that is overweight, or in need of relief from gas or bloating. Rennel has regulated my whole system."

It's amazing how quickly you can lose unsightly fat at home. Obtain 4

ounces of liquid Rennel Concentrate at your druggist. Pour this into a pint bottle and add enough grapefruit juice to fill bottle. Then take two table-spoonfuls twice a day. That's all there is to it—you can eat normally. If the very first bottle doesn't show the simple easy way to lose pounds of bulky fat and help regain slender, more youthful curves—if reducible excess fat doesn't seem to disappear almost like magic just return the empty bottle to the manufacturer for your money back. Note how quickly bloating disappears—how much better you feel.

# Southwest Ohio Cagers Set High School Pace; Middletown in Front

COLUMBUS, Jan. 22.—(P)—Southwestern Ohio, where the state Class A basketball title has gone 13 out of 29 times, is still the glamorous spot of the Buckeye high school cage sport.

The season's two top events had a Queen City setting. Middletown's miraculous Middles and Hamilton's Big Blue—each unbeaten—tangled in Cincinnati Garden Friday night before the biggest crowd ever to see a regular-season contest in the state, and Middles won 66-49.

That gave the Middles 11 in a row, No. 1 rating in the weekly Associated Press poll.

The other Queen City event was a one-man show as Robin Freeman of Cincinnati Hughes came up with a 56-point scoring spree for a one-man 81-52 win over Cincinnati Central Vocational. It was the season's top scoring effort—and it came on the heels of a 42-point surge against Cincinnati Roger Bacon earlier in the week, giving the 17-year-old 5-11 star an 11-game total of 413 for a 37.5 average.

WHILE FREEMAN was burning up the hardwoods, a host of other scholastic stars hit the magic "30 or more" circle in last week's frays.

Among them were Kenny Williamson of Pickerington 37, Joe Keifer of Grand Rapids and Bob Shalek of Polk 36, Bill Ross of Steubenville and Dale Ford of Lexington 33, Harmon Mansperger of Galion and Dick Gunder of Marion St. Mary 32; Vaughn of Lima Central, Sock Stophor of Centerburg and Gene Fisher of Dayton Fairmont 31, and Al Christopher of Caldwell, Bill Yoho of North Lima and Orlen Voltz of Berlin 30.

Columbus East, the state Class A champion, has a 27-game winning streak, 11 this year. The champs lost an overtime thriller to Columbus Central a couple of weeks ago, but got it back when Central forfeited three games for using an ineligible player.

Here's how the state's sports editors rate Ohio's high school basketball teams this week: (First place

WINNING the slalom race at Bad Gastein, Austria, from a field of Europe's best feminine skiers, Mrs. Andrea Mead Lawrence, 19-year-old Rutland, Vt., girl, solidified her position as favorite for the Olympic title which she will seek at Oslo, Norway, next month. Mrs. Lawrence won three events in five tuneup races.

## Defense of Title By Jersey Joe Is Urged in Gotham

NEW YORK, Jan. 22.—(P)—Jersey Joe Walcott, who took 21 years to win the world heavyweight title, may lose it in 15 days—in New York state.

The crown, donned by the 38-year-old Camden, N. J., Negro when he knocked out Ezzard Charles in Pittsburgh last July 18, will be without a wearer in New York state unless Jersey Joe agrees within 15 days to meet a legitimate contender.

The edict was issued Monday by Chairman Bob Christenberry of the New York Athletic Commission.

Christenberry said Walcott had failed to defend his title within six months as required by commission rules.

The Louisiana commission has withdrawn recognition from Walcott as champion.

Felix Bocchicchio, manager of Jersey Joe, called Christenberry's statement "part of a squeeze play."

"I don't know why they're forcing Joe like this," Bocchicchio said. "We're going to defend the title when we get the right set-up and terms."

Christenberry said he considered Charles and undefeated Rocky Marciano of Brockton, Mass., as the "foremost contenders."

## Iowa Is Toppled By Indiana Team

CHICAGO, Jan. 22.—(P)—Chuck Darling of Iowa fouled out with 4½ minutes left and Indiana surged ahead Monday night to topple the Hawkeyes from the undefeated basketball ranks, 82-69.

The upset left idle Illinois leading the pack with four straight league wins and an undefeated stretch of 11 for the season.

Ohio State moved into third place with a 59-58 decision over Minnesota. Michigan State ripped Wisconsin 50-39 and North Western shaded Michigan 59-57.

## Feller Washed Up? He Says He Is Not

CLEVELAND, Jan. 22.—(P)—Baseball fans, please go slow when the time comes to decide whether Bob Feller is "all washed up."

Feller himself makes that request.

"I certainly expect to end my career here with Cleveland," he told an admiring throng of 670 Monday night at a dinner in his honor. "But I hope the fans don't write me off too soon. I still think I have something left in the good right arm."

All the same, Bob said earnestly, the "baseball writers and fans of Cleveland and Ohio have been very patient with some of the lean years I've had."

Bob was honored as Man-of-the-Year in Cleveland for 1951 at the sixth annual banquet of the local chapter of the Baseball Writers Association. He took the occasion to itemize what he hopes to do in the future:

1. He'd like to pitch a fourth no-hitter—something no major league

"Out of thin air" comes the **HIGHEST HORSEPOWER** in Buick history

### NOTE FROM YOUR BUICK DEALER:

Presented here is the story of a great new engine development, as told by the men who did the job. We reprint the story here in its entirety—as we couldn't beat it if we tried.

No, we didn't have to build a new engine. We took Buick's valve-in-head Fireball Engine—which makes the most of high compression. We drew on 12 patient years of Buick carburetion research.

And we came up with more might, more miles, from gas—right out of thin air, in more ways than one.

When you talk about "miles per gallon" you think of fuel, because that's what you buy. But air's free—and for every gallon of gasoline, a busy engine can gulp more than 8,000 gallons of air.

The problem is to deliver air in the right proportions, throughout the full range of speeds at which you drive.

A carburetor—big enough to supply the air needed at full throttle—can be wasteful in stop-and-go driving. A carburetor sized for thrift in city traffic literally smothers your engine when you really give it the gun.

So Buick engineers developed the Airpower carburetor—a four-barrel automatic—and here's how it works.

Loading along, two barrels are working, two stay closed. And you get a low-speed

thrift and smoothness that's out of this world.

## Travellers Face Difficulties In Case of Atom Bomb Attack

NEW YORK, Jan. 22—(AP)—The farmer's daughter isn't the only thing on the travelling salesman's mind these days. The atom bomb has changed all that.

If bombs fall on an American city, what happens to the businessman who may be visiting there—or to you yourself if you're caught off home base? Always supposing, of course, that you aren't a casualty.

Travelling salesmen aren't the only businessmen involved. Businessmen are constantly on the go these days, visiting branches of the company or material sources, consulting government bureaus, seeking new sales outlets.

Many travel in their own cars; some in company planes. If a bomb falls, will these cars or planes be confiscated; will the transient be speeded on his way, or interned, or pressed into relief duties? And will he be allowed to communicate with his worried family?

VARIED, and sometimes conflicting, rules are set up in the different states, according to the Bureau of Salesmen's National Associations. Its members are organizations in the apparel and shoe trades. The businessman who may be caught away from home by some sudden attack on the United States could find his return trip one great puzzle and confusion, the bureau says, unless a uniform rule can be worked out.

To find out what would happen to its travelling members, the National Association of Women's and Children's Apparel Salesmen—a member of the bureau—has polled the civil defense directors of the 48 states and the District of Columbia and has 37 replies.

## 37th Division Off For Federal Service

COLUMBUS, Jan. 22—(AP)—From many communities throughout Ohio, men of the 37th Division boarded trains Sunday enroute to training at Camp Polk, La.

More than 2100 members of the former National Guard division, now in federal service, already are in Louisiana. Other division units will continue to leave Ohio through Wednesday. Some individuals are going by car.

As the troops paraded to waiting trains, the joys and heartbreaks, the sad goodbyes and the tears and cheers were similar to those of other years. For this is the third time in 35 years Ohio's National Guard division has been called into federal service.

An estimated 2,000 friends and relatives jammed Columbus Union Station to say goodbye to nearly 300 members of the division. The troops were given a musical send-off by an American Legion post band.

How did the boys, themselves, feel about this leaving for active duty? As one sergeant, a veteran of World War II, put it:

"We were called and we're going. I don't feel one way or the other about it. But it's good to be going with so many I know."

Four units of the 37th from Dayton, Lebanon and Springfield about 200 men—left Dayton by train shortly before midnight. They comprised the 136th Field Artillery.

## Five Crewmen Safe After Plane Crash

PORT ANGELES, Wash., Jan. 22—(AP)—Five crewmen of a B-17 mercy plane Sunday survived the crash of their ship on an Olympic peninsula peak.

Three other men, presumably thrown from the plane during its plunge, were listed as missing.

The four-engine search and rescue plane was returning from the scene of a British Columbia plane crash Saturday night when it clipped the top of 6,358-foot Tyler Peak in a blinding snowstorm.

## Delinquency Increases

WARREN, Jan. 22—(AP)—Court officials report juvenile delinquency in Trumbull County has topped the level of World War II days. They blame the return of mothers to defense jobs, armed forces service and the general stepped-up wartime pace.

# Blood Donations May Reach All Time Low Here

Few Sign Up; Unit  
Will Be at Church  
All Day Thursday

Unless there is an immediate response on the part of people in Fayette County blood donations Thursday, when the Red Cross bloodmobile pays its next visit to the city, will fall at an all time low.

This was revealed by Tom Mark, who is chairman of the blood program in Fayette County, as he made a final appeal for blood donations from among the 22,000 residents of this county.

Mark said there are only a few persons who have made appointments with the Fayette County Red Cross chapter on North Hinde Street.

He reminded persons who expect to give blood that the Red Cross unit will set up its headquarters at the First Presbyterian Church. In previous visits the bloodmobile unit has used the second floor of the American Legion Hall.

**APPOINTMENTS WILL** be made for Thursday, from 10 A. M. until 3:45 P. M., and residents are asked to call the chapter house here to make arrangements for donations.

It has been pointed out that the need for blood is great now, and that the response of civilians to pleas for blood for the military have gone virtually unheeded.

Those who expect to give blood Thursday are asked to avoid eating fatty foods for six hours before they report to give blood. Things which should be avoided include: dairy foods, meat with fat, fried foods, gravy, soups, salad dressing, pastry and pudding, avocados, and candy and nuts.

A recommended breakfast is fruit, poached or boiled egg, coffee or tea (without cream) and bread with jam or jelly (with no butter).

A recommended lunch includes vegetables (without dressing), lean meat (not fried), fruit, bread (without butter) and coffee or tea (without cream).

After blood is given, a light lunch is served to donors.

## Sesqui Planning

(Continued from Page One)  
back to the idea of taking care of Fayette County for awhile and "studying our cherished traditions and history in the schools and in the home."

"We need to teach our youngsters real Americanism," he declared when it was asked what would be the best thing we could do for the coming generation of leaders.

**MRS. MARGARET** Woodson, who is a member of the executive committee for the observance, said that while the committee was talking about plans for the youth of the county it should not forget the Negro youngsters, whom she said have no decent place to go for their recreation. She said Negroes didn't necessarily want financial help, but simply encouragement.

Ralph Penn, who is the chairman of the committee planning the Ohio Sesquicentennial observance in this county, stirred the group in to a spirited discussion of what could be done in the county, and by the time the meeting was adjourned, practically everyone present had said something.

He obtained general assent that a pageant should be staged in connection with the observance, and Ray Brandenburg, president of the County Fair Board, suggested that the pageant be held during the Fair as one or more of the night entertainments.

Hal Summers told the committee heads that a Little Theatre group was being formed in the city and would assist in staging the pageant.

# Floyd Wickle Is Killed in Crash

Spencer Reno and  
Wife Hospitalized

Floyd Wickle of Mt. Sterling, was fatally injured, another man killed outright and Mrs. Wickle and Mr. and Mrs. Spencer Reno were hospitalized as a result of a head-on crash of automobiles at Park City, Ky., Monday evening.

The Renos and Wickles, all of Mt. Sterling, were en route to Florida when the tragedy occurred.

Mr. and Mrs. Reno, according to reports from Mt. Sterling, were taken to Community Hospital at Glasgow, Ky., and Mrs. Wickle to the hospital at Park City, Ky.

The Snyder Funeral Home of Mt. Sterling, sent a coach to Park City to return the body of Mr. Wickle to Mt. Sterling for funeral services and burial.

Meager reports stated that the driver responsible for the head-on crash was killed outright. His name was not learned.

Mr. Reno is a brother of Otto and Roy Reno of Washington C. H., and formerly resided here.

# Richard Capuana Dies in Columbus

Richard Capuana, 63, the father of Tony Capuana of Washington C. H., died at his home, 3445 Trab Road, in Columbus, Monday afternoon.

Mr. Capuana had been in failing health for several months.

Tony Capuana, the golf professional at the Country Club here, was released from Memorial Hospital only about half an hour before he received the word of his father's death. He had undergone a major operation about two weeks ago.

However, he said he thought he would be able to go to the funeral services at St. Margarita Church in Columbus, at 9 A. M. Thursday.

Interment is to be in Greenlawn Cemetery in Columbus.

Mr. Capuana is survived by seven other sons and daughters.

# His First Marriage Ceremony Performed By Judge Brubaker

Municipal Judge Robert L. Brubaker was called upon to perform his first marriage ceremony Tuesday morning.

Willard Easter, 36, farmer, Fayette County, and Mary Alice McFarren, 17, Washington C. H., appeared at the judge's office in the city building, and asked that he tie the nuptial knot for them.

Judge Brubaker obligingly looked up the marriage form, called Clerk of Courts Don Flanders and Police Chief Vaiden Long, the court bailiff, as witnesses, and proceeded with the ceremony.

The ceremony was performed in the court room without spectators other than the two court officials.

The Royal Canadian Mounted Police were organized in 1873.

## The Old Home Town

By Stanley

# Theft of Flagpole Baffling Police

Police today were wondering who stole a 15-foot steel flagpole from the Ladoga Canning Co. plant on South Sycamore Street Monday night. . . and why.

They are inclined to the belief, however, that it was not from any patriotic purpose.

Theft of the pole was reported to the police about 9 A. M. Tuesday and an investigation was started immediately. Clues were admittedly meager.

The pole was planted in a small concrete base; so, police believe, it was not too difficult to carry off.

# Leaving Scene Proves Costly

For leaving the scene of an accident, Elden Charles Blake, Jr., Greenfield, drew a fine of \$25 and costs, 30 days in the Cincinnati workhouse, and his license was suspended for one year, when he appeared before Judge Robert L. Brubaker, in municipal court Monday.

Judge Brubaker suspended the 30 days in the workhouse pending good behavior, but required payment of the fine and costs. The charge was filed by Eva Jones.

# James Quick Funeral To Be in Greenfield

Funeral arrangements for James Quick, who died Monday morning at the Carr Nursing Home here, have been completed.

Services will be held in the Christian Baptist Church on Tenth Street in Greenfield at 2 P. M. Thursday under the direction of the Gerstner Funeral Home.

Burial will be in the Greenfield Cemetery.

Friends may call at the funeral home anytime until noon Thursday.

# NEW! AMAZING! World's Most Modern STEAM VAPORIZER

Electresteen SAFEST VAPORIZER EVER MADE!

Absolutely no risk of scalds or burns to child's tender hands. Remote reservoir holds 48 oz. of cool water—only 1 1/4 oz. of water at time in heating chamber. Automatically shuts off when water is gone—safe to use while you sleep! Guaranteed! AC only.

- Relieves, soothes distress of Colds, Croup, Coughs, Asthma, Bronchitis, Sinusitis!
- Instant vapor action—you control amount of steam!
- Works while you sleep—shuts off automatically when empty!
- Safe even around children—"Inswall" base and "Remote Water Reservoir" always cool to touch!
- 10 to 24-hour vaporizer!
- Also Humidifies and Reodorizes rooms!
- Outperforms other vaporizers costing twice as much!

**Electresteen**  
RECOMMEND VAPORIZER FOR ALL RESPIRATORY AILMENTS  
When breathing is difficult, soothing steam relieves congestion in nose and throat. That's why doctors advise home vaporizer treatments to help break up the tightness and stiffness in the early stages. ELECTRESTEEN works fast... safe... effectively to clear your breathing, loosening deep chest phlegm, and free you from headaches or coughing spells. Get ELECTRESTEEN.

NO FINER, SAFER VAPORIZER AT ANY PRICE

# Pack 13 Welcomes Four New Members

Four new members were welcomed into Cub Pack 13 and three members were presented badges of advancement during the meeting of the pack at Sunnyside School Monday evening.

Eugene Hamby, Jerry Hamby, Phillip Sanders and Randy Bolton were the new members.

Billy Gardner was presented a Lion badge, the highest rank, and has chosen Boy Scout Troop 222 for his troop. Larry Milstead and Dale Fent, members of the troop, welcomed Billy into the troop.

Bobby Clift, received his Wolf badge and one-year pin and Paul Nedostup received his Bear badge during the evening.

Plans were made by the boys to put on a display of Cub Scouting in the Moore Store window during Scout Week, February 6 through 12. The pack also plans to attend church on Scout Sunday.

William B. Clift, Jr., pack master, showed movies of the Washington C. H. marching band taken during football season, following the business meeting.

# FB Youth Council Talks Sesqui Plans

The Fayette Farm Bureau Youth Council discussed projects for the raising of funds for the 1953 Sesquicentennial celebration at its January meeting, held at the home of Bob Agle.

Joy Cockerill presided over the business meeting in the absence of Ben Glover. The meeting was turned over to the discussion leader, Dwight Duff.

One new member—Ruth Bandy—was taken into the group. Delicious refreshments were served by the host.

Members present were as follows: Bob Agle, Joe Fisher, Lois Cherryholmes, Dwight Duff, Malcolm Bloomer, Ruth Bandy, Ruth Engle, Joy Cockerill and Betty Rowland.

# Poet's Corner

**KISMET**  
We are puppets on life's stage... Forced to play a given part; Rich man, poor man, fool and safe Share its histrionic art; Like the jiggling marionette, Moved by strings to do the will Of some master-mind, so we Have our destined role to fill.

We are puppets on life's stage... Trained and prodded to obey Like a beast within a cage, With its ordered part to play; We are servile to the whims Of a mystic, occult power That directs the role we act, From some starchy, cosmic tower.

We are puppets on life's stage... Robots, automats that move To transmissive cords and wires, Tensioned in a measured groove; Some may joy and some may weep Some may wonder in their heart; Whether we win crown or cross, Depends on how we play our part. Frank Grubbs

# Springfield Man Seeks Winegardner's Post

Paul J. Groeber, Democrat of Springfield, announced Monday that he will be a candidate in the May primary for Democratic state central committee member from the seventh congressional district.

The post has been vacant since Fayette County was eliminated from the seventh district and placed in the sixth. Reed Winegardner, formerly of Washington C. H., has been the state central committee man, a post which draws no salary.

Groeber was Clark County recorder from 1937 to 1944, district supervisor for the Bureau of Census in 1949 and 1950 and area representative here from Oct. 2, 1950 to Dec. 31, 1951.

**CHURCH DAMAGED**  
HAMILTON—Firemen battled a fire in the Kenworth Avenue Church of God, which caused extensive damage.

# Many Plans Made By Scout Troop

Plans for a hike a potluck supper and a court of honor were completed during the Monday evening meeting of Boy Scout troop 152 at Memorial Hall.

The entire group plans to go on a hike Saturday, February 2, with some of the members gaining needed requirements for their hiking merit badge.

The potluck supper will be held in conjunction with the court of honor to be held Monday evening February 11. The patrol practiced on their stunts to be given at the supper.

Second class scouts made plans to conduct Vesper Services at the court of honor. Parts for the services were assigned by Bob Bachelor, leader.

Following the meeting a number of the scouts visited Danny Terhune, who is recovering at his home from an accidental gunshot wound.

# Gasoline Taxes Are Received Here

County Auditor Ulric T. Acton has received \$10,000 for the county and \$4,000 for the townships, from the gasoline tax funds.

Each township will receive \$400 of the amount.

The funds are to be used for maintenance and repair of highways in the county.

It may be two or three weeks before the city and other municipalities in the county receive their portion of the gasoline tax funds, it was stated.
